Here at Albuquerque Charter Vocational High School, we really appreciate our faculty and staff's business.

We set up charge accounts on our POS systems for all of our faculty and staff. We offer each employee of the school a \$50.00 line of credit as a courtesy and we print out personal invoices for them every two weeks (on payday!) They also receive a 20% discount on all snack bar items.

Another way we accommodate our staff is by taking special orders for them from Dion's, which is our local pizzeria. On Mondays and Wednesdays prior to the beginning of the first session, one of our snack bar workers visits the teachers' laboratories and asks if they would like to special order a submarine sandwich or salad for that day or the next day. The special orders are immediately rung in on the teacher's account so that when they come to pick up their order, they do not have to wait.

Our teachers and staff really appreciate the special services our snack bar offers them, and we really appreciate their patronage.
